Good on car rides • Good with Kids • Medical - Basic Vetting Completed • Potty trained • Single Dog Home

About

Stanley here has an unknown past, but while in our care we have seen him blossom from a very scared stray, to the happiest tail wagging guy! He has excelled in his social interaction skills tremendously and absolutely adores children! Stanley prefers a calm and quiet environment where he can absorb all of the belly rubs you have to offer! Stanley loves to cuddle, play fetch, go on long car rides, and just be around his people!
