About

Meet Shep! This handsome guy is about 8 years old and is doing great at learning to meet everyone! He loves squeaky toys and fetch so much! Shep is also a "water boy" in the best way! Shep loves to jump in pools and lakes are a dream for him! Shep prefers an experienced owner who would understand he's a shy guy who takes a minute to warm up, but will sit on your lap once you are buddies!
