About

Meet Amigo! This sweet boy is a great buddy to all. He was on the euthanasia list at a local shelter due to his age, but don’t let it fool you! He had lots of energy and is down to romp and play. He really enjoys exploring the yard and sniffing around. He has had a lifetime of untreated ear infections so one of his ears is all crinkled up, but we think that just adds to his cute charm! He is good with other dogs and loves all people.
