About

Meet Iggy! This sweet old lady is sure to melt your heart with her big baby eyes and tail wags. Iggy prefers to spend her day snoozing away. She is quiet as a mouse and as calm as a couch potato. Her walk is more of a mosey and she prefers to move at her own pace. She loves other dogs and all people, and will bounce and play with others when she gets excited! She is as gentle and sweet as they come, although not much of a snuggler. She just wants a dog bed to snooze on. Iggy does have sensitive skin that requires some extra care to keep her from getting too itchy, but she’s worth it.
