Attributes

Good with Cats • Medical - Basic Vetting Completed

About

Hi there! My name is Smokey! ■■ I'm a very handsome, medium-haired gray boy, a little over a year old, with the prettiest golden eyes and the sweetest personality! I'm neutered, litter box trained, and get along wonderfully with cats of all ages. My story started a little differently than most. I was found in a parking lot and arrived with a medical condition. After some care and recovery, I was diagnosed with vestibular disease. I've made wonderful progress, and these days, my condition just leaves me with the cutest little head tilt! I think it gives me a little extra character, don't you? ■ I can be a little shy when we first meet, but once I get comfortable and learn that I can trust you, my affectionate side really shines. I'm quite possibly one of the biggest cuddle bugs you'll ever meet! I love snuggling right up beside my favorite people, soaking up all the love, and falling asleep in a cozy spot. My ideal home would be a quieter, more relaxed environment with adults and no children, where I can take my time settling in and feel safe and comfortable. I absolutely adore other kitties and would love having some
