About

Romeo is big 'ol lover boy who just wants to cuddle with his people and rub against them! At 90lbs he may look intimidating but he loves poeple and gets along with other dogs. He loves to watch the backyard and roll in the grass. He is a talker and he will let you know if strangers are within sight. But even though his bark may be loud his tail is wagging. He is allowed to free roam the basement when he just takes naps. He sleeps in his dog bed on the floor all night. He is an easy dog. He rides well in the car and is up for an adventure. He may be middle aged but he has plenty of energy and love to give.
