About

This sweet soul is miss Kia. She came to us in horrible condition, having almost no hair along with testing positive for multiple viruses. She is now out of quarantine and her hair is all growing back! She has made wonderful progress and despite everything she has been through she is one of the sweetest pups you will ever meet! Her spirit is always high and she is just the happiest girl! Kia has shown to be good around other pups and cats, would be great with kids and is housetrained.
