About

Hi! My name is Joe and I just moved here from Ohio with the help of Pilots and Paws. Back in Ohio I had a home with two elderly pawrents and two doggy siblings. There was a fire that changed everything. We were all safe, but no longer able to stay together. Now begins my story with Always and Furever. Here's what you should know about me: I love, love, LOVE to snuggle. I am truly happiest next to my person. I have a fondness for comfy couches and fuzzy blankets. I am what you might call "food motivated". I don't ever want to miss a meal and will happily accept all treats. I will even perform a "sit" for treats. I am crate trained. Please use treats to incentivize me to enter said crate *hint, wink*. I do well while in my crate. I'm a nice medium-sized boy weighing approximately 45 pounds. Estimate is that I am 8-10 years young. Sorry… I can't tell you if I like kids or cats. If you are looking for a cute, cuddly guy to spend your days and nights with, please consider me – Joe from Ohio.
