About

This sweet boy is Ranger Boone is such a sweet soul who has had a rough start to life. We believe he was hit by a car and then taken to a kill shelter where we scooped him up! He is on the road to recovery but that doesn't slow him down one bit! He is super sweet to all people, knows his commands, good with other pups, potty trained and just all puppy love! Ranger Boone — Foster Home Update ♥■ Ranger Boone is a sweet, affectionate, playful boy with the cutest goofy puppy personality. He can be cautious with new people and situations, but give him time and space to approach at his own pace and he warms up pretty quickly. Once comfortable, he's an absolute lovebug—and an incredible cuddler! ■ Play, snooze, snuggle, repeat. Fun bursts of puppy energy with a great off-switch. ■ Doing wonderfully with our resident female dog and respects her cues when she's done playing. ■ Has passed other dogs calmly on walks with no reaction. ■ Smart, responsive and very food motivated. ■ Settles nicely in his kennel and now puts himself in it at bedtime. ■ Learning household boundaries
