About

Duncan came to us after much neglect and as an owner surrender to a large kill shelter. That shelter reached out and told us that he needed a hero. Duncan was in a terrible dog fight in the owners home. They never got him any support after the horrific attack. Shattered leg, and infection set in and we did immediate surgery to save his life. Now he is in need of a soft place to land, a loving family and a home to call his own.
