About

We had Mr Buford over for the weekend. This guy is a giant lover. We called him our walking potato! He loved the car....was fabulous on a leash....had no trouble with the stairs....was super playful with our dog and loved everyone. He really loved kids and wanted to be right in the middle of our neighborhood kids. He is honestly absolutely perfect, past the puppy stage but still so playful as you can see by his video. Someone come add the guy to your family!!!
