About

Hi, my name is Calliope, but my friends call me Cali! ■ I'm a gorgeous black and brindle Chow Chow mix, and the staff and volunteers here at the Little Wichita Barn will tell you I'm one of the silliest girls around! I love my short, sweet morning strolls when the weather is cool, soaking up the sunshine, and watching the world go by through the windows and doors, and listening to the rain. I'm a girl who needs a little extra time to feel comfortable in a new home. The 3-3-3 rule is especially important for me, but once I settle in and learn to trust you, you'll see more and more of my silly, affectionate personality shine through. I love to get the zoomies around the livingroom from time to time too! I'm good with other dogs, cats, and kids, walk good on leash, and I'm also a great car ride companion! Over my time at the Little Wichita Barn, I've discovered a love for puzzle time and playing tug. I'm a pretty easy girl to please, and I'm happiest enjoying the simple things in life. I do have a special diet that helps keep my tummy happy, and I promise I'm worth the little extra care! I've been waiting a long time
