Medical Coord/Adopter Consult Required

About

I'm Moby, an 8-year-old brown Pit Bull Terrier with a heart as big as my 79-pound frame! ■ I came to the shelter with a serious injury, but thanks to Always and Forever, I was given a second chance to show you just how loving and loyal I can be. I'm neutered, affectionate, and gentle — ready to prove that pit bulls make wonderful companions. My medical needs require ongoing coordination with my adopter, so I'm looking for someone committed to my care and wellbeing. ■ Come meet me and discover the devoted friend I'm eager to become! ❤■
