About

I'm Delani, an 8-year-old American Pit Bull Terrier mix with a heart as big as my adventurous spirit! ■ This beige and white girl came to us as a stray, and then found herself on euth list at a scary shelter but we say her and fell in love. she's already shown us what a loyal, gentle companion she can be. At 70 kg, I'm a solid presence with a friendly nature that'll win you over in no time. I'm currently in foster care and ready to find my forever home — come meet me and let's start our next adventure together! ♥■
