About

This sweet senior boy is as loving as they come. Lomax is great with other dogs, loves going out for wagon walks and being outside in the fresh air. He also gets a kick out of playing with bouncy balls and loves his chew bones. Lomax would thrive in a home with no stairs and on his rougher mobility days, a little sling support helps him get around. He's affectionate as they come, full of character, and ready to share his big, warm heart with a family. Come meet Lomax! We promise he will make you smile and laugh everyday with his goofy personality.
