About

GLEASON — THIS GUY IS SOMETHING SPECIAL! If your favorite qualities in a dog are laid-back, gentle, and loving, then Gleason may just be the one for you! This incredibly sweet senior boy wants nothing more than to be in the presence of people he loves. Give him a cozy bed, a little companionship, and the freedom to nap to his heart's content, and Gleason is one happy guy! Gleason has been absolutely wonderful with both kids and adults and socializes beautifully with a larger, low-energy pack here at the sanctuary. He has such a calm, gentle presence about him that it's hard to understand how this incredible boy hasn't been scooped up already! He is an absolute favorite among our staff and visitors, and once you spend a little time with him, you'll understand exactly why. We know that senior dogs are sometimes overlooked, but goodness, the love and companionship they have to offer is something truly special. And Gleason has SO much love to give!
