About

I'm Bailey, a 9-year-old black and white American Bulldog with a heart as big as my personality! ■ I'm spayed, leash-trained, and absolutely wonderful with kids — plus I'm a dream on car rides, so adventures are my thing. I'm affectionate and loyal, and I love being close to my people, and have the cutest full body wiggles! Come meet me and let's start our story together! ■
