About

Meet Forest! This sweet 11-year old gentleman has already been through more than he ever deserved. He was abandoned on a rural property and left without food or water until kind neighbors spotted him and reached out for help. Forest is now safe and ready to enjoy the love and comfort he deserves. He is fully blind, but don't let that fool you! He can hear, gets around better on a leash, and absolutely loves having a person to guide him along the way. He's a super sweet boy who finds comfort in a little guidance and a lot of kindness. Forest isn't asking for much at this stage in life, just someone to be his eyes, his guide, and his forever friend.
