About

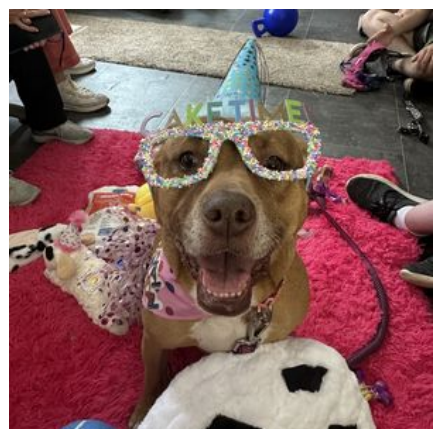

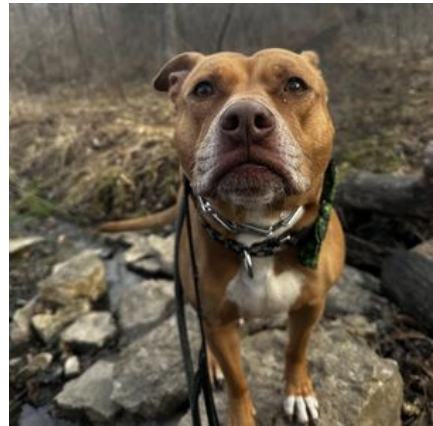

Meet Millie! This sweet girl has so much personality and love to give! Millie is the perfect amount of play/cuddles and would love to find her Furever family to share it with! She is house trained and potty trained! She's good on a leash and in car rides. She is also crate trained. While she is a little picky on her dog friends she has shown to be good with more submissive pups. Millie has been waiting far too long for her Furever so please take a chance on her so she can give you all her love!
