About

Meet Santos! This sweet boy started life as a sick sick puppy doomed with parvo alongside his sister, until we got them the lifesaving care they needed and they survived! Santos was adopted for a while but recently returned due to his adopters moving. He is great with all dogs, kids, and people. Santos is very gently, snuggly, and a big old lap dog. He loves to romp around with other dogs and would do best in a home with friends to play with. Santos is also great with cats! He is truly a wonderful boy who will make any lucky family happy for life.
