## About

Meet Giblet! Gibby is a slow, sweet older man who is undergoing heartworm treatment and would desperately love to find a foster or furever home. Giblet loves to snuggle and go for walks, but he does struggle with stairs since he is an old man. He would love a bed to sleep next to his people all night long! He prefers dogs like him that are older and won't get too up in his business. Please consider giving this older gentleman a home, he has been waiting so patiently!
